

The power to do more

Dell™ Vostro™ 260 MT/260s ST

Reliable, easy-to-use desktop solution for small business.

Easy setup for business that work hard.

The Vostro 260 desktops are designed to perform right out of the box. The Vostro 260 series has just the right essential features to keep your business moving.

- Power through daily tasks and enjoy seamless multitasking with powerful 2nd Generation Intel® Core i processors with Turbo Boost™ 2.0 Technology.
- With a 42% slimmer profile than the mini-tower, the Vostro 260s slim tower is designed to work hard even when space is at a premium.
- Create dynamic presentations with integrated Intel® HD graphics. Or, upgrade to 1GB¹ NVIDIA® or AMD discrete graphics for superb visual performance and support for two HD monitors.
- Connecting to your office is as easy as plug and play. Add a Dell printer or monitor, charge your smartphone, and transfer files with ease and flexible options: VGA, native HDMI, 8 easily accessible USB ports and a multi-media card reader.
- Presentations, programs and spreadsheets can add up quickly. With up to 3TB² of hard-disk space (260), you get plenty of room for saving all the work that matters.

Enjoy security that never sleeps.

Your data is your most valuable business asset. That's why Dell offers Vostro 260 desktops with a range of specialized options to help keep your critical data safe around the clock.

- Preinstalled Backup and Recovery Manager makes routine system backups a breeze. Choose Dell DataSafe Online Backup for a full-service, 24/7 backup and recovery solution — no extra hardware or IT staff required.
- With Roxio Creator Starter software preinstalled on your Vostro 260, you can simply drag and drop files to encrypt data onto a password-protected CD, DVD or Blu-ray disc.
- Threat protection comes standard on every Vostro 260 with free, preinstalled Trend Micro Worry-Free™ Business Security Services, securing against virus threats.

Vostro have your IT covered.

Running a small business is demanding enough without having to be your own IT staff. With a suite of specialized support options behind every Vostro desktop we sell, Dell has the resources to keep you up and running smoothly.

- Look to Dell ProSupport³ for the "how-to" help you need — from support with setting up office networks to expertise with virtualization, systems management and other complex IT areas.
- No need to wait on the phone for routine troubleshooting help. With the Dell Support Center application, you get a one-stop destination for keeping your Vostro 260 in top shape.
- Extend your Limited Hardware Warranty⁴ up to 3 years, and choose Accidental Damage Service⁵ for protection against power surges, liquid spills and other hazards not covered under your Limited Hardware Warranty.⁴
