

Windows® Life without Walls™ Samsung recommends Windows 7.

Q430-11 Notebook

**It's anything
but basic black.**

The feature-rich Samsung Q430-11 notebook features a chic aluminum surface finished smartly in black. When you open it, its 14" LED-backlit LCD delivers bright, colorful high-definition images in impressive fashion. The 16:9 aspect ratio displays widescreen DVD movies with no black bars. Gaming is equally impressive, with an Intel® Core™ i5 processor and NVIDIA graphics. For work, Windows® 7 Home Premium helps you navigate your favorite applications with ease. And connections include HDMI and 3 USB 2.0 ports (one chargeable even when the notebook's off). It's a notebook that performs as good as it looks. The Q430-11 notebook from Samsung.

Samsung notebooks. Crafted to perform.

Security	Kensington Lock Port, BIOS/HDD Password
Dimensions (W x H x D)	13.5" x 9.4" x 1.3"
Weight	5.01 lbs.

Features:

Intel® Core™ i5 Processor

The Q430-11 features 4-way multitask processing with two dedicated cores. It allows handling of multiple applications simultaneously with less wait time.

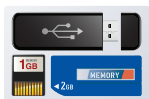

Island-Style Keyboard

The simple design of the Q430-11's island-style keyboard provides a larger separation between individual keys, for easier, faster typing.

LED-Backlit Display with Edge-to-Edge Glass

The LED-backlit display delivers bright and vivid colors, while the edge-to-edge glass gives you a rich viewing experience. And the 16:9 ratio lets you watch DVDs without any annoying black bars.

Simple Data Sharing

With a 3-in-1 memory card reader and 3 USB 2.0 ports (one of them chargeable even when the notebook's off), you can easily connect to your digital camera, camcorder, MP3 player or PDA.

Dedicated Graphics

With 512MB of dedicated graphics memory and the NVIDIA GeForce 310M graphics chip, you can expect superior graphic performance on multimedia applications, including photo and video editing, as well as gaming.

HDMI Connectivity

For the ultimate viewing experience, connect your Samsung Q430-11 notebook to an HD television or home theater system using the built-in HDMI connection.

Eco-Friendly Design

Because of its energy efficiency and zero use of hazardous materials, the Q430-11 is rated EPEAT Silver, and is TCO 5.0 and RoHS compliant. The Q430-11 makes sense from both an economical and an ecological point of view.
